### Our Mission

Physicians and medical clinicians navigate a rapidly evolving landscape of new technologies, shifting regulations, and complex laws—all while staying focused on delivering exceptional care to their patients. This conference is thoughtfully designed to empower cardiologists, helping them transform challenges and uncertainties into opportunities for growth and success, and ultimately support TCACC’s mission of transforming cardiovascular care and improving heart health.

### *Greetings!*

On behalf of the Texas Chapter of the American College of Cardiology (TCACC) and its members, we are delighted to invite your company to join us as a valued sponsor of our 2025 Annual Meeting, taking place October 11–12, 2025 at the Houston CityPlace Marriott in Houston, Texas.

Thanks to your positive feedback, we will continue our weekend format, which will make it easier for attendees and exhibitors to connect, collaborate and exchange ideas.

To make the most of your marketing investment, we’ve crafted four sponsorship options, as well as supplemental options and add-ons designed to maximize your visibility and engagement with key decision-makers and influencers in the cardiology field.

Your sponsorship underscores your commitment to improving cardiovascular health in Texas and provides an unparalleled opportunity to grow your presence and showcase your products and services in this vital community.

We look forward to your support and to seeing you at this year’s meeting!
